WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, ASSIGNOR EXPRESSLY DISCLAIMS, AND ASSIGNEE ACKNOWLEDGES AND AGREES THAT IT HAS NOT RELIED UPON, ANY REPRESENTATION OR WARRANTY, STATUTORY, EXPRESS OR IMPLIED, AS TO (I) TITLE TO ANY OF THE ASSETS, (II) THE CONTENTS, CHARACTER OR NATURE OF ANY DESCRIPTIVE MEMORANDUM, OR ANY REPORT OF ANY PETROLEUM ENGINEERING CONSULTANT, OR ANY GEOLOGICAL OR SEISMIC DATA OR INTERPRETATION, RELATING TO THE ASSETS, (III) THE QUANTITY, QUALITY OR RECOVERABILITY OF PETROLEUM SUBSTANCES IN OR FROM THE ASSETS (INCLUDING ANY DRILLING OPPORTUNITIES), (IV) ANY ESTIMATES OF THE VALUE OF THE ASSETS OR FUTURE REVENUES GENERATED BY THE ASSETS, (V) THE PRODUCTION OF PETROLEUM SUBSTANCES FROM THE ASSETS, (VI) ANY ESTIMATES OF OPERATING COSTS AND CAPITAL REQUIREMENTS FOR ANY WELL, OPERATION, OR PROJECT, (VII) THE MAINTENANCE, REPAIR, CONDITION, QUALITY, SUITABILITY, DESIGN OR MARKETABILITY OF THE ASSETS, (VIII) THE CONTENT, CHARACTER OR NATURE OF ANY DESCRIPTIVE MEMORANDUM, REPORTS, BROCHURES, CHARTS OR STATEMENTS PREPARED BY THIRD PARTIES, (IX) ANY IMPLIED OR EXPRESS WARRANTY OF FREEDOM FROM PATENT, TRADEMARK, TRADE DRESS, TRADE SECRET OR OTHER INTELLECTUAL PROPERTY INFRINGEMENT, OR (X) ANY OTHER MATERIALS OR INFORMATION THAT MAY HAVE BEEN MADE AVAILABLE OR COMMUNICATED TO ASSIGNEE OR ITS AFFILIATES, OR ITS OR THEIR EMPLOYEES, AGENTS, OFFICERS, DIRECTORS, MEMBERS, MANAGERS, EQUITY OWNERS, CONSULTANTS, REPRESENTATIVES OR ADVISORS IN CONNECTION WITH THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT OR ANY DISCUSSION OR PRESENTATION RELATING THERETO, AND FURTHER DISCLAIMS ANY REPRESENTATION OR WARRANTY, STATUTORY, EXPRESS OR IMPLIED, OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR CONFORMITY TO MODELS OR SAMPLES OF MATERIALS OF ANY EQUIPMENT, IT BEING EXPRESSLY UNDERSTOOD AND AGREED BY THE PARTIES HERETO THAT ASSIGNEE SHALL BE DEEMED TO BE OBTAINING THE ASSETS, INCLUDING THE EQUIPMENT, IN THEIR PRESENT STATUS, CONDITION AND STATE OF REPAIR, "AS IS" AND "WHERE IS" WITH ALL FAULTS AND THAT ASSIGNEE HAS MADE OR CAUSED TO BE MADE SUCH INSPECTIONS AS ASSIGNEE DEEMS APPROPRIATE.

Section 2.2 Acknowledgement. Assignee acknowledges and affirms that it has made its own independent investigation, analysis, and evaluation of this Assignment and any other transactions contemplated by this Assignment (including Assignee's own estimate and appraisal of the extent and value of Assignor's hydrocarbon reserves attributable to the Assets and an independent assessment and appraisal of the environmental risks associated with the acquisition of the Assets). Assignee acknowledges that in entering into this Assignment, it has relied only on the aforementioned investigation and the express terms in this Assignment. Assignee hereby irrevocably covenants to refrain from, directly or indirectly, asserting any claim, or commencing, instituting, or causing to be commenced, any lawsuit or legal proceeding of any kind against Assignor or its affiliates, alleging facts contrary to the foregoing acknowledgment and affirmation.

ARTICLE 3
ASSUMPTION OF OBLIGATIONS

Section 3.1 General Assumption. Assignee shall assume and agrees to fulfill, perform, pay and discharge all of the obligations and liabilities arising from, related to or connected with the ownership and operation of the Assets, whether arising prior to, on or after the Effective Time, subject only to Section 4.2(b) and Assignee's express rights under the Letter Agreement (collectively, the "***Assumed Obligations***"). The Assumed Obligations include, without limitation, the following:

(a) the express and implied obligations, conditions and covenants under the Leases, Easements, Units and Contracts and all other contracts, agreements, instruments and orders to which the Assigned Interests are subject, and including, for the avoidance of doubt, liability for breach of any of the foregoing;

(b) the responsibility for compliance with all applicable laws, the maintenance or application of all permits (including but not limited to the obligation to apply for government issued licenses and permits), and bonds required by governmental authorities relating to the Assets;

(c) the responsibility for royalties, overriding royalties, net profits interests, rentals, shut-in payments and all other burdens, charges or encumbrances to which the Properties are subject and including, for the avoidance of doubt, liability for failure to pay any of the foregoing;

(d) the responsibility to maintain and hold funds or royalties in suspense (solely to the extent such funds are transferred to Assignee in the form of a credit, as provided in Section 4.2 and Section 4.3), and to pay any statutory interest to the extent applicable;

(e) the responsibility for any and all claims for personal injury or death or damage to property arising directly or indirectly from or incident to the use, occupation, ownership, operation or maintenance of any of the Assets, or the condition thereof; and

(f) the responsibility for all liabilities and obligations of Assignor arising out of, related to, or connected with, the environmental condition of the Assigned Interests regardless of whether occurring, arising or resulting from any acts or omissions of Assignor or any other person prior to, on or after the Effective Time, or from the condition of the Assigned Interests when acquired.

Assignee agrees to indemnify, defend and hold harmless Assignor and its affiliates and representatives from and against any and all claims, liabilities, losses, causes of actions, costs and expenses (including, without limitation, those involving theories of negligence or strict liability and including court costs and attorneys' fees) ("***Losses***") asserted against, resulting from, imposed upon or incurred by Assignor or such other persons entitled to indemnification as a result of or arising out of, directly or indirectly, (i) the Assumed Obligations, (ii) Assignee's performance or non-performance of its covenants or obligations hereunder or under the Letter Agreement or (iii) the ownership, operation, possession, use, or enjoyment of the Assets. Assignee's obligations to

indemnify, defend and hold harmless Assignor and its affiliates and representatives from and against any and all Losses as provided in this paragraph shall survive without time limit.

THE PARTIES AGREE THAT THE OBLIGATIONS OF THE ASSIGNEE TO INDEMNIFY ASSIGNOR SHALL BE WITHOUT REGARD TO THE NEGLIGENCE OR STRICT LIABILITY OF ASSIGNOR, ITS AFFILIATES OR REPRESENTATIVES, WHETHER THE NEGLIGENCE OR STRICT LIABILITY IS ACTIVE, PASSIVE, JOINT, CONCURRENT, OR SOLE, EXCEPT TO THE EXTENT THE APPLICABLE LOSSES WERE OCCASIONED BY THE WILLFUL MISCONDUCT OF ASSIGNOR. The foregoing is a specifically bargained for allocation of risk between Assignee and Assignor, which both Assignee and Assignor agree and acknowledge satisfies any express negligence rule and conspicuousness requirement under applicable law.

Section 3.2 Assumption of Plugging Liability. Assignee shall assume all of Assignor's plugging, replugging, abandonment, removal, disposal and surface restoration obligations associated with the Assets acquired hereunder regardless of when the obligations arose. Such obligations being assumed shall include, but not be limited to, all necessary plugging and abandonment and/or removal and disposal of all of the wells, whether pre-existing or drilled by Assignor, and all structures, personal assets, pits, ponds, tanks, foundations, pipelines, flowlines, structures, and equipment located on or associated with the Assets listed on Exhibit A, and any necessary disposal of naturally occurring and radioactive material (NORM) or asbestos. All plugging, replugging, abandonment, removal, disposal and restoration operations shall be in compliance with the applicable laws and regulations and written agreements with the surface owners, if any, and all such operations conducted in a good and workmanlike manner. Assignee also assumes any and all claims, losses, obligations, and expenses attributable to any environmental condition of the Assets whether arising before or after the Effective Time.

ARTICLE 4

ACCOUNTING PROVISIONS

Section 4.1 Effective Time. This Assignment is effective as of September 1, 2024 at 7:00 a.m., Central Prevailing Time where the Assets are located (the "*Effective Time*"); *provided* that possession and title to the Assigned Interests shall transfer as of the date hereof.

Section 4.2 Allocation and Responsibility. Except as expressly provided otherwise herein, including under Section 4.4:

(a) Assignee shall be entitled to all revenues, production and proceeds generated from or attributable to the Assets from and after the Effective Time, and to all other income, proceeds, receipts, and credits earned with respect to the Assets on or after the Effective Time, and shall be responsible for (and entitled to any refunds with respect to) all Property Costs and other costs and expenses attributable to the Assets and incurred from and after the Effective Time; and

(b) Assignor shall be entitled to all revenues, production and proceeds generated from or attributable to the Assets prior to the Effective Time (including inventories of Hydrocarbons as of the Effective Time), and to all other income, proceeds,

receipts, and credits earned with respect to the Assets prior to the Effective Time, and, until six (6) calendar months after the date of this Assignment, shall be responsible for (and entitled to any refunds with respect to) all Property Costs attributable to the Assets and incurred prior to the Effective Time, it being understood that liability for any such Property Costs after the expiration of such 6-month period shall be included in the Assumed Obligations (except insofar as made subject to a valid claim by Assignee against Assignor prior to the expiration of such period).

Section 4.3 Certain Definitions. The term “**Property Costs**”, for purposes of this Assignment, shall mean all operating costs and capital expenditures incurred in the operation and ownership of the Assets in the ordinary course of business, including Property Taxes, in each case that would be chargeable to non-operating working interest owners under operating agreements or similar agreements included in the Contracts, or if there is no operating agreement, then under a 1982 A.A.P.L. Model Form Operating Agreement and COPAS 2005 Accounting Procedures (“**COPAS**”). The term “**Property Taxes**”, for purposes of this Assignment, shall mean all ad valorem, real property, personal property (whether tangible or intangible), severance, production and similar taxes based upon or measured by the ownership or operation of the Assets or the production of hydrocarbons from or attributable thereto, but excludes income, franchise and similar taxes.

Section 4.4 Special Adjustments.

(a) Notwithstanding the foregoing, for each producing Well or Wells being drilled or operated by Assignor, the following shall apply for the period from the Effective Time to the Closing: (i) if such Well is subject to an operating agreement, then (A) Assignor shall retain from proceeds of post-Effective Time hydrocarbon production (or receive a credit under Section 4.5 for) overhead charges and rates received by Assignor from third parties in its capacity as operator under the operating agreement or COPAS accounting procedure attributable to such Well, and (B) Assignor shall be entitled to deduct and retain as overhead charges for such Well an amount equal to the overhead charges and rates that Assignor would be entitled to receive in its capacity as operator under the operating agreement or COPAS accounting procedure applicable to such Well if Assignor’s interest in such Well were owned by a third party rather than Assignor; and (ii) if such Well is not subject to an operating agreement, then Assignor shall be entitled to deduct and retain as overhead charges for such Well an amount that is consistent with the COPAS overhead rates being paid by other third party non-operators in such Well.

(b) Assignee shall receive a credit from Assignor under Section 4.3 in an amount equal to all proceeds of production in respect of any of the Assigned Interests that are payable to third parties and are being accrued and held in suspense by Assignor as the operator of such Assets, and Assignee shall bear and be responsible for the distribution of all such suspended amounts (plus statutory interest to the extent applicable, whether or not accrued).

(c) If the net volume of the cumulative Imbalances represents an underproduced position in favor of Assignor, Assignor shall be entitled to an additional payment from Assignee under Section 4.5 equal to such net volume as of the Effective

Time multiplied by Assignor's applicable contract price per Mcf. If the net volume of the cumulative Imbalances represents an overproduced position in favor of third parties, Assignee shall be entitled to a credit from Assignor under Section 4.5 equal to such net volume as of the Effective Time multiplied by Assignor's applicable contract price per Mcf.

(d) Assignor shall receive a credit in an amount equal to all outstanding receivables for joint interest billings due from co-owners in the Assets related to costs incurred by Assignor in the operation of the Assigned Interests, regardless of when incurred; *provided* that to the extent of such credit, Assignee shall be entitled to collect and retain all such amounts owed by such co-owners.

Section 4.5 Settlement. At Closing, at the election of Assignor, the consideration payable for the Assets may be adjusted to reflect an accounting of the amounts provided for under Sections 4.1 through 4.4, as estimated by Assignor in good faith. Whether or not such estimated accounting is made, as soon as practicable after the date of this Assignment, but no later than one hundred twenty (120) days following the date of this Assignment (the "***Settlement Date***"), Assignee and Assignor shall account to each other consistent with, and to give effect to, the foregoing provisions of this Article 4, taking into account any estimated amounts incorporated into the Purchase Price pursuant to the Letter Agreement. Assignor shall initiate such accounting by delivering to Assignee, no later than ninety (90) days following the date of this Assignment, a settlement statement that sets forth the accounting of the amounts provided for under Sections 4.1 through 4.4, and the calculation of a net cash payment that is payable to Assignor or Assignee, as applicable, in accordance with such accounting. After the Settlement Date, to the extent a party hereto receives revenues, benefits or other income that the other party is entitled to receive, such receiving party will account to the other party within ten (10) days. After the Settlement Date, to the extent a party hereto pays a cost or expense for which the other party is responsible to pay under this Assignment, upon giving the other party notice and evidence of the cost or expense and the actual payment thereof, such other party will reimburse the paying party within ten (10) days.

ARTICLE 5

MISCELLANEOUS PROVISIONS

Section 5.2 Further Assurances. Section 5.3 Required Consent. It is specifically provided that if the assignment or attempted assignment of any Lease, Contract or Easement without the consent of the lessor, or any party from whom consent to assign is required, would constitute a breach or result in a forfeiture thereof, this Assignment shall become effective with respect to any such Lease, Contract or Easement only upon receipt of such required consent.

Section 5.4 Other Forms. Separate governmental form assignments of the Assigned Interests may be executed on officially approved forms by Assignor and Assignee, in sufficient counterparts to satisfy statutory and regulatory requirements. Those assignments shall be deemed to contain all of the terms hereof. The interests conveyed by such separate assignments are the same, and not in addition to, the Assigned Interests conveyed herein.

Section 5.5 Exhibits. All Exhibits and Schedules that are referred to herein are hereby made part of this Assignment and incorporated herein by such reference. References in such Exhibits and Schedules to instruments on file in the public records are notice of such instruments for all purposes. Unless provided otherwise, all recording references in such exhibits are to the appropriate records of the counties in which the Assets are located.

Section 5.6 Governing Law, Venue and Jury Waiver. THIS ASSIGNMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF KANSAS, WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAW OF SUCH STATE THAT WOULD DIRECT THE APPLICATION OF THE LAW OF ANY OTHER JURISDICTION; PROVIDED THAT MATTERS RELATING TO THE TRANSFER, VALIDITY AND VESTING OF TITLE SHALL BE GOVERNED BY THE LAW OF THE JURISDICTION WHERE THE APPLICABLE PROPERTIES ARE LOCATED. ASSIGNOR AND ASSIGNEE STIPULATE AND AGREE TO SUBMIT TO THE EXCLUSIVE JURISDICTION AND VENUE OF THE UNITED STATES DISTRICT COURT AND THE KANSAS STATE DISTRICT COURT SITTING IN WILSON COUNTY, KANSAS WITH RESPECT TO ALL DISPUTES IN ANY WAY ARISING OUT OF, ASSOCIATED WITH, OR RELATING TO THIS ASSIGNMENT.
