Dear Douglas H McGinness II:

Your application for Temporary Abandonment (TA) for the above-listed well is denied for the following reasons(s):

Needs a new fluid level attached to kolar form.

Pursuant to K.A.R. 82-3-111, the well must be plugged, or returned to service, or obtain temporary abandonment status by 08/30/2025.

This deadline does NOT override any compliance deadline given to you in any Commission Order.

You may contact me if you have any questions.

Sincerely,
Michael Maier
KCC DISTRICT 1
