**CONTRACT FOR SALE OF OIL AND GAS LEASE  
WORKING INTERESTS**

THIS CONTRACT FOR SALE OF OIL AND GAS LEASE WORKING INTERESTS is made and entered into this 1st day of July, 2025, by and between **Aleo Oil Company, LLC**, Bradenton, Florida, hereinafter called **Seller** and **Ace Oil Company**, Russell, Kansas, hereinafter called "**Buyer**."

WHEREAS, Seller is the owner of working interests in the oil and gas leases described in Exhibit "A" attached hereto (The Leases), in the proportions stated in Exhibit B, including the equipment situated on The Leases and attributable to each of Seller's working interests and desire to sell the same, hereinafter called "The Interests;"

AND WHEREAS, Seller is the operator of The Leases;

AND WHEREAS, Seller will endeavor to obtain authority from the other working interest owners named in Exhibit B (Additional Owners) to sell to Buyer Additional Owners' working interests in The Leases including the equipment situated on The Leases and attributable to each Additional Owner's working interest in the proportions described in Exhibit B (Additional Interests);

AND WHEREAS, Buyer desires to purchase The Interests and the Additional Interests upon the terms and conditions hereinafter set forth.

NOW THEREFORE, for and in consideration of these presents, Sellers agree to sell, and Buyer agrees to purchase The Interests and Additional Interests in accordance with the following terms and provisions:

1. **Purchase Price**. Seller agrees to sell The Interests, and to endeavor to obtain authority from Additional Owners to sell Additional Interests and Buyer agrees to purchase The Interests and Additional Interests for an amount based upon a total price of [REDACTED] or 100% of the working interest in The Leases, allocated among The Leases

as stated in Exhibit A. The portion of the total purchase to be paid for each of The Interests and Additional Interests shall be the product obtained by multiplying the percentage of the working interest sold in each lease by each Seller or Additional Seller, as the case may be, times the portion of the total purchase price allocated to that lease. It is recognized that the purchase price will be less than [REDACTED] if prior to closing less than 100 percent of the working interest is authorized to be sold. Buyer acknowledges that in such event the Purchase Price will be reduced by the portion of the total purchase price of the non-selling Additional Owners allocated portion of The Leases as set forth in Exhibit B.

2. **Effective Date.** This sale shall be effective, and title shall transfer from Sellers to Buyer on the 1<sup>st</sup> day of July, 2025 (The Effective Date).

3. **Operations.** Seller in consideration of these presents agrees to assign to Buyer and Buyer agrees to accept the right to operate The Leases effective the 1<sup>st</sup> day of July, 2025.

4. **Ad Valorem Taxes.** Ad valorem taxes assessed against The Leases for the year 2024 have been paid. Obligation for the payment of Ad valorem taxes assessed against The Leases for the year 2025 shall be prorated between Operator and Buyer as of the effective date. It is recognized that the exact amount of the Ad valorem taxes assessed against The Leases for the year 2025 will not be known at the time of closing. Seller and Buyer stipulate that the calculation of their respective obligations for the 2025 taxes will be based upon the amount of tax assessed on The Leases for the year 2024. Buyer will receive credit against the purchase price at closing for the Sellers' prorated share of the 2025 taxes determined as stipulated, except that any portion of the 2025 taxes attributable to any non-selling Additional Owner's interests shall be paid by Buyer as the new operator and billed to any non-selling Additional Owner.

5. **Disclaimer of Warranty.** Seller warrants that at the time of closing there will be no unpaid liens or encumbrances against the interests in The Leases being sold

that were created by Seller. This sale is made without any other warranty of any kind, express or implied, by Seller, including, but not by way of limitation, any warranty or representation as to the quantity, quality or condition The Leases, the well bores and such surface equipment that may be located on The Leases or the fitness thereof for the use for which it was made or for any use which Buyer may intend to make of The Leases.

6. **Notice.** Any notices or other communications required or permitted under this contract shall be in writing and mailed addressed as follows:

If to Sellers:

7. **Oil In Tanks.** Seller has caused the oil in the stock tanks on The Leases to be sold prior to The Effective Date. Buyer's interest in The Leases shall include any oil remaining in the stock tanks on The Effective Date.

8. **Revenue And Expenses.** All revenue from the sale of oil produced prior to The Effective Date shall be the property of Seller and Additional Owners. Seller and Additional Owners shall pay all expenses of operation of The Leases incurred prior to The Effective Date. Buyer shall be entitled to all revenue from the sale of oil produced on and after The Effective Date except oil attributed to the interests of any non-selling Additional Owners. Buyer shall pay all expenses of operation of The Leases incurred on and after The Effective Date except that any portion of said expenses of operation attributable to any non-selling Additional Owner's interests shall be paid by Buyer as the new operator and billed to any non-selling Additional Owners.

9. **Indemnity.** Buyer shall assume all risk, liability, and obligation with respect to The Leases from and after the closing of Buyer's purchase of The Leases. Buyer shall indemnify and hold harmless Seller from and against all costs, liabilities, expenses including attorney's fees, suits, judgments, payment of royalties, damages to persons or property, and compliance with State and Federal laws and regulations arising from and incident to Buyer's ownership and operation of The Leases.

10. **Closing.** This sale shall close on or before the 1st day of August, 2025. Closing shall take place in accordance with the following procedures:

(A) Buyer shall deliver the purchase price, adjusted as provided in paragraphs 1, and 4, to Seller by wire transfer of federal funds or cashier's or certified check. All of the purchase price funds shall be paid to Seller for Seller's benefit and as agent of the Additional Sellers.

(B) Seller shall deliver properly executed Assignments conveying the interests of Seller and Additional Sellers in the Leases to Buyer.
