TO: KCC

FROM: Phil Frick – Frick Energy Services, LLC on behalf of Miami County Production, LLC and Crawford County Production, LLC

RE: T-1's

To Whom It May Concern:

This lease was originally assigned to Miami County Production LLC as shown in the attached assignment. However, at the time, Miami County Production did not yet have an operator's license, so they used their Crawford County Production operator's license (a related company) for the transfer. Miami County Production now has an operator's license, so the leases are being transferred to it to align with the Working Interest owner.

Let me know if you have questions or need further documentation to complete this transfer.

Phil Frick
