Previous report
shows Well No 2
in location shown
on this ticket

Does not check with
attached report
Which is correct?

RRM

9/27/1918 - The location
shown on reverse side
of this ticket is wrong -
and the attached ticket
is correct location.
Don't believe I ever sent
in a ticket showing the
well spotted as this one -
if I did it was an
error on my part -
#2 was drilled near
#1 which was abandoned
on account of bad fishing
job - Condiff.
