BASE SALT 1805 ?

vg sh & white to gray anhydrite

gray, dense selenitic dolomite

vg sh, or anhydrite & streaks dolomite

buff to brn. sucrose dolomite

vg sh & anhydrite

cream to tan finely sucrose dol.

vg sh & anhydrite

FORT RILEY 2095

buff sucrose dolomite

vg. dolomitic sh.

gray, finely granular dolomitic lst. oocastic at top

vg sh. FLORENCE 2180

gray, f. xln. slightly cherty fossilif. lst. fusulinids

vg. sh.

gray, finely granular dolomitic lst.

vg sh.

WREFORD 2250

gray, f. xln. profusely cherty lst.

vg. sh.

cream, dse. lst.

vg. sh.

cream, f. xln. fossilif. lst.

same

buff, finely granular, dolomitic lst. fusulinids

COTTONWOOD 2390

Red & gray sh.

NEVA 2435

Cream, porous, finely oocastic lst.

gray, f. xln. lst.

gray, f. xln. fossilif. cherty lst.

gray, dse. lst.

gray, granular partly cherty lst. fusulinids

buff, chalky to granular lst. fusulinids

Cream granular fusulinidal lst.

Gray limey sh.

gray, dse. to f. xln. lst.

gray, dse. lst.

same

vg. sandy sh.

cream, dse. to f. xln. lst.

gray, dse. lst.

gray sh. sandy at top. Streak gray, f. xln. lst.

gray, dse. to f. xln. lst.

gray, f. xln. fossilif. lst.

gray sandy sh.

cream to buff, f. xln. lst.

gray sandy sh.

TOPEKA ~~2940~~ 2960

White to cream, dse. lst.

Thin beds gray, f. xln. lst.

cream, dse. lst.

cream, porous, finely oocastic lst.

cream dse. lst.

gray, dse. to f. xln. lst.

marly & fusulinidal at base

cream to gray, f. xln. lst. fusulinids

cream, dse. lst.

same

cream to gray, dse. to f. xln. lst.

lime same but cherty and fusulinidal

gray dse lst.

cream to gray buff, f. xln. lst.

LANSING ~~3215~~ 3265

White to cream, cherty, f. xln. lst. Faintly oolitic at top at base

Cream f. xln. oolitic, slightly oil-stained in spots

cream, dse. cherty lst.

Cream, dse. to f. xln. partly cherty lst. oolitic at top

cream, dse. cherty lst.

same, cherty & oolitic at top

cream f. xln. lst.

cream, f. xln. oolitic lst.

same

same, buff, f. xln. oolitic, cherty, dead oil staining

PENN. BASAL CONGL. 3510

vg. sh., varicolored chert, co. sd. grs. Reworked Arb. dolomite & Simpson sh. at base

SIMPSON 3570

Green, waxy, sandy sh. Maroon staining

ARBUCKLE 3589

buff, co. xln. dolomite, spots dark cherty oil staining

Samples to 3611
