Western Well & Pump
1100 South Range
Colby, Kansas 67701

Gentlemen:

Attached hereto are the results of tests run on the rotary core taken from the Arvil Miller Lease, Well No. 2, located in Section 17, T-21S, R-13E, Miami County, Kansas and submitted to our laboratory on August 12, 1980.

The core was sampled and sealed in plastic bags by a representative of the client.

Your business is greatly appreciated.

Very truly yours,

OILFIELD RESEARCH LABORATORIES
