Base Upper Bartlesville Sandstone	798'
Top Middle Bartlesville Sandstone	814'
Base Middle Bartlesville Sandstone	888'

Name of rock formation at total depth BartlesvilleTotal depth 900'

Company purchasing oil or gas: \_\_\_\_\_

CASING

List:

If OWWO\*, give new footage drilled \_\_\_\_\_

\* Old well drilled deeper

10/15/1970

This well completion form is mailed to southeastern Kansas operators, because commercial reporting companies do not scout the area. Completed forms, driller's logs, electric logs, and other information submitted to us will be placed on open file for your use. Please complete form and mail in enclosed envelope to Margaret Oros, Head, Oil and Gas Division, State Geological Survey, Lindley Hall, Lawrence, Kansas 66044. Phone: 913-864-3852.

Minimum completion information will be used for reporting all wells completed in Kansas to American Association of Petroleum Geologists' Committee on Statistics of Drilling. These statistics are published by the Oil and Gas Journal, American Association of Petroleum Geologists, U. S. Bureau of Mines, and others.
