Name Change of Ramsey #10 to Ramondetta #2

Dear Mr. Stoll:

We are officially requesting that the 2 wells sited above be renamed as follows:

- 1) Ramsey #9 API #15-015-24170-0000 to become the Ramondetta #1.
- 2) Ramsey #10 API #15-015-24215-0000 to become the Ramondetta #2.

One of the questions we were discussing here in the office is once these are renamed will there be some reference to "formerly known as Ramsey #9" or something like that so there won't be future confusion. If you need any further documentation or information, please let me know and I will provide it to you. Once the well names are both changed, I will also notify KDOR and the oil purchaser so that their records can be changed as well.

Very truly yours,

Michelle D. Henning
