Tulsa, Oklahoma 74114

Gentlemen:

Attached hereto are the results of tests run on the rotary core sample taken from the Gossard Lease, Well No. 1, Labette County, Kansas and submitted to our laboratory on August 2, 1980.

The core sample was sealed in a plastic bag by a representative of the client. In examining this core sample, it is assumed this sample represents one foot of core.

Your business is greatly appreciated.

Very truly yours,

OILFIELD RESEARCH LABORATORIES
