Re: No. 1 Lindberg
C/ NW SW SE Sec. 2-18W-2W
McPherson County, Kansas

Gentlemen -

We enclose copy of our letter to White & Ellis, which will apprise you of the current status of the above operation. We enclose also copy of Engineer's Plat showing location and ground elevation for this well.

Will you please supply us with names and night telephone numbers of your geological staff for notification purposes.

Yours very truly,

DORSET COMPANY

Re: No. 1 Lindberg
C/ NW SW SE Sec. 2-18S-2W
McPherson County, Kansas

Gentlemen -

We return herewith one fully executed copy of contract covering the drilling of the above well. We understand that you expect to move in Wednesday, February 23rd.

The geologist in charge of this well is Mr. Harry V. Tucei, who can be reached during office hours at The Home-Stake Oil & Gas Company offices, LU 3-0178, Tulsa. After office hours Mr. Tucei can be reached at RI 3-1908 or, if he is unavailable, Mr. Charles C. King may be reached at RI 7-1256. Daily reports should be telephoned to Mr. Tucei or Mr. King, and to the offices of Petroleum, Inc., in Wichita. Copy of daily drilling report should be mailed to this office.

Mr. Tucei's preliminary instructions are to record one foot drilling time and save 10' samples commencing at 1800'. Upon reaching a depth of 2150' start saving 5' samples.

Yours very truly,

DORSET COMPANY

Giles A. Penick, Jr.
