WELLS #1-7

20' W of S/2 SW

Section 7-18S-20W

Rush County, Kansas

## SUMMARY AND RECOMMENDATIONS

This well was drilled as a Chase gas well. No samples were examined. This well ran 60 feet low to producing wells in the area. Based upon available data the well was plugged and abandoned.

Measurements were taken from rotary kelly bushing ( 8 feet above ground level).  
Logger's measurements are taken as correct.

Respectfully,
