Re: Drilling Pit Application
Krehbiel-Nichols Lease Well No. 1
NE/4 Sec. 24-32S-12W
Barber County, Kansas

Dear Mr. McGinness:

District staff has inspected the location and has determined that an unsealed condition will present a pollution threat to water resources.

District staff has instructed that no earthen pits are to be used at the location. Steel pits are to be used. Please inform the Commission in writing as to which disposal well you will utilize to dispose of the contents in the steel pits and the amount of fluid which will be disposed.

Should a haul-off pit be necessary, please complete the enclosed CDP-1. This location will have to be inspected prior to approval of the haul-off pit application.

Sincerely,

Kathleen Haynes
