RE: Drilling Pit Application

Barnes Trust Lease Well No. 1-29

NE/4 Sec. 29-20S-14W Barton County, Kansas

Dear Mr. Greenbaum:

District staff has inspected the above referenced location and has determined that the reserve pit shall be constructed <u>without slots</u>, the bottom shall be flat and reasonably level, **if sand is encountered during the construction of the reserve pit or working pits, please call the District Office at (785) 625-0550**. The free fluids must be removed from the reserve pit as soon as practical after drilling operations have ceased

If production casing is set all completion fluids shall be removed on a daily basis.

The fluids should be taken to an authorized disposal well. Please call the District Office at (785) 625-0550 when the fluids have been removed. Also, please file the enclosed CDP-5 form, Surface Pond Waste Transfer, within 30 days of fluid removal.

A copy of this letter should be posted in the doghouse along with the approved Intent to Drill. If you have any questions or concerns please feel free to contact the undersigned at the above address.

Sincerely,

Kathleen Haynes

**Environmental Protection and Remediation Department**
