> Well No. 2 Re: Lease - Miller "A" NW NW SW 13-3-19W Phillips County, Kansas

Dear Mr. Brock:

Enclosed herewith is a copy of the well plugging record for the captioned lease as requested in your letter of November 5. The original was mailed to you on or around September 20 and was apparently lost in the mail. If you require another original, please notify us.

We purchased this lease from Phillips Petroleum on January 1, 1969 and the records we received did not include a driller's log, therefore, we are unable to supply that information.

If you have any questions, please notify us. Thank you.

Yours very truly,

PETROLEUM MANAGEMENT, INC.
