RE: McKee #1  
 Sec. 36-05S-37W  
 Cheyenne County

Dear Sir,

We received a (CP-1) Well Plugging Application form from Nielson Enterprises, Inc. designating Flint Engineering Company as the plugging contractor.

Our records show Flint Engineering Company is not a licensed operator or contractor. According to K.S.A. 82-3-120 any operator or contractor must have a current license to operate in the State of Kansas. Failure to do so will result in shutting down all operations in the State of Kansas. Therefore, your company may not plug this well or continue any operations until a current license is issued.

I am enclosing a license application which must be sent to Mary Streff, KCC, Fourth Floor, State Office Bldg., Topeka, KS 66612 along with \$100.00. I am also enclosing a copy of the Commission Rules and Regulations for your information.

Sincerely,

Dennis Anderson  
 Engineer
