In plotting the proposed location of the well, you must show:
1) The manner in which you are using the depicted plat by identifying section lines, i.e. 1 section, 1
section with 8 surrounding partial sections, 4 sections, 16 sections, etc.;
2) the weak's location relative to the location of other wells producing from the same common source of supply in adjoining drilling units, pursuant to K.A.R. 82-3-108, 82-3-207, 82-3-312, or special orders
of the Commission;
3) the distance of the proposed drilling location from the section's east and south lines; and
4) the distance to the nearest lease or unit boundary line.
I hereby certify that the statements made herein are true and to the best of my knowledge and belief.
