File acreage attribution plat according to field proration orders;

Submit plugging report (CP-4) after plugging is completed;

Well Not Drilled - Permit Expired Signature of Operator or Agent:

- Obtain written approval before disposing or injecting salt water.

If this permit has expired (See: authorized expiration date) please check the box below and return to the address below.

Notify appropriate district office 48 hours prior to workover or re-entry;

## RECEIVED AUG 1 2 2005

## IN ALL CASES PLOT THE INTENDED WELL ON THE PLAT BELOW

Plat of acreage attributable to a well in a prorated or spaced field

**KCC WICHITA** 

If the intended well is in a prorated or spaced field, please fully complete this side of the form. If the intended well is in a prorated or spaced field complete the plat below showing that the well will be properly located in relationship to other wells producing from the common source of supply. Please show all the wells and within 1 mile of the boundaries of the proposed acreage attribution unit for gas wells and within 1/2 mile of the boundaries of the proposed acreage attribution unit for oil wells.
