AFFI		
AFFI The undersigned hereby affirms that the drilling, completion and eventual plants agreed that the following minimum requirements will be met:		
The undersigned hereby affirms that the drilling, completion and eventual plus is agreed that the following minimum requirements will be met:  1. Notify the appropriate district office <i>prior</i> to spudding of well;  2. A copy of the approved notice of intent to drill <i>shall be</i> posted on each 3. The minimum amount of surface pipe as specified below <i>shall be se</i> through all unconsolidated materials plus a minimum of 20 feet into the 4. If the well is dry hole, an agreement between the operator and the districtions.	ugging of this well will comply with K.S.A. 55 et. seq.  th drilling rig; they circulating cement to the top; in all cases surface pipe shall be underlying formation.  Istrict office on plug length and placement is necessary prior to placement.	
The undersigned hereby affirms that the drilling, completion and eventual plus is agreed that the following minimum requirements will be met:  1. Notify the appropriate district office <i>prior</i> to spudding of well;  2. A copy of the approved notice of intent to drill <i>shall be</i> posted on each and the search of the approved notice of intent to drill <i>shall be</i> posted on each and the search of the search of the well is dry hole, an agreement between the operator and the description of the search of the s	th drilling rig; If by circulating cement to the top; in all cases surface pipe shall be underlying formation. Instrict office on plug length and placement is necessary prior to pluged or production casing is cemented in; If the definition of the top is the second of the top is the top	ugging; date. cementing
The undersigned hereby affirms that the drilling, completion and eventual plut is agreed that the following minimum requirements will be met:  1. Notify the appropriate district office <i>prior</i> to spudding of well;  2. A copy of the approved notice of intent to drill <i>shall be</i> posted on each and the search of the approved notice of intent to drill <i>shall be</i> search of the searc	th drilling rig; If by circulating cement to the top; in all cases surface pipe shall be underlying formation. Instrict office on plug length and placement is necessary prior to pluged or production casing is cemented in; If the definition of the top is the second of the top is the top	ugging; date. cementing
The undersigned hereby affirms that the drilling, completion and eventual plus is agreed that the following minimum requirements will be met:  1. Notify the appropriate district office <i>prior</i> to spudding of well;  2. A copy of the approved notice of intent to drill <i>shall be</i> posted on each and the search of the approved notice of intent to drill <i>shall be</i> posted on each and the search of the search of the well is dry hole, an agreement between the operator and the description of the search of the s	the drilling rig; It by circulating cement to the top; in all cases surface pipe shall be the underlying formation. Its strict office on plug length and placement is necessary prior to plugged or production casing is cemented in; and from below any usable water to surface within 120 days of spudients and placement. It is a rea, alternate in the plugged. In all cases, NOTIFY district office prior to any cement my knowledge and belief.	ugging; date. cementing
The undersigned hereby affirms that the drilling, completion and eventual plus is agreed that the following minimum requirements will be met:  1. Notify the appropriate district office <i>prior</i> to spudding of well;  2. A copy of the approved notice of intent to drill <i>shall be</i> posted on each and the district office as specified below <i>shall be se</i> through all unconsolidated materials plus a minimum of 20 feet into the district office will be notified before well is either plug for an ALTERNATE II COMPLETION, production pipe shall be demented or pursuant to Appendix "B" - Eastern Kansas surface casing order must be completed within 30 days of the spud date or the well shall to hereby certify that the statements made herein are true and to the best of the date:  25 August 2005 Signature of Operator or Agent:	th drilling rig; It by circulating cement to the top; in all cases surface pipe shall be underlying formation. Instrict office on plug length and placement is necessary prior to pluged or production casing is cemented in; It defends the defends of the control o	ugging; date. cementing
The undersigned hereby affirms that the drilling, completion and eventual plus is agreed that the following minimum requirements will be met:  1. Notify the appropriate district office <i>prior</i> to spudding of well;  2. A copy of the approved notice of intent to drill <i>shall be</i> posted on each and the search of the approved notice of intent to drill <i>shall be</i> posted on each and the search of the well is dry hole, an agreement between the operator and the description of the search of the well is dry hole, an agreement between the operator and the description of the search of the well is either plug for the appropriate district office will be notified before well is either plug for an ALTERNATE II COMPLETION, production pipe shall be comented or pursuant to Appendix "B" - Eastern Kansas surface casing order must be completed within 30 days of the spud date or the well shall the latest of the spud date of the well shall the statements made herein are true and to the best of the place.  25 August 2005 Signature of Operator or Agent:	th drilling rig; It by circulating cement to the top; in all cases surface pipe shall be the underlying formation. In this strict office on plug length and placement is necessary prior to plug ged or production casing is cemented in; and from below any usable water to surface within 120 days of spud #133,891-C, which applies to the KCC District 3 area, alternate life to plugged. In all cases, NOTIFY district office prior to any ceme my knowledge and belief.  Title: Agent	ugging; date. cementing
The undersigned hereby affirms that the drilling, completion and eventual plus is agreed that the following minimum requirements will be met:  1. Notify the appropriate district office <i>prior</i> to spudding of well;  2. A copy of the approved notice of intent to drill <i>shall be</i> posted on each and the second of surface pipe as specified below <i>shall be sethough</i> all unconsolidated materials plus a minimum of 20 feet into the second of the well is dry hole, an agreement between the operator and the description of the second of the	th drilling rig; It by circulating cement to the top; in all cases surface pipe shall be be underlying formation. In this strict office on plug length and placement is necessary prior to plug ged or production casing is cemented in; It be from below any usable water to surface within 120 days of spud #133,891-C, which applies to the KCC District 3 area, alternate like the plugged. In all cases, NOTIFY district office prior to any ceme my knowledge and belief.  Title: Agent  Remember to:  File Drill Pit Application (form CDP-1) with Intent to Drill; File Completion Form ACO-1 within 120 days of spud date; File acreage attribution plat according to field proration orders;	ugging; date. cementing enting.
The undersigned hereby affirms that the drilling, completion and eventual plus is agreed that the following minimum requirements will be met:  1. Notify the appropriate district office <i>prior</i> to spudding of well;  2. A copy of the approved notice of intent to drill <i>shall be</i> posted on each an accordance. The minimum amount of surface pipe as specified below <i>shall be set</i> through all unconsolidated materials plus a minimum of 20 feet into the set through all unconsolidated materials plus a minimum of 20 feet into the set of the well is dry hole, an agreement between the operator and the description of the specified before well is either plug for an ALTERNATE II COMPLETION, production pipe shall be comented or pursuant to Appendix "B" - Eastern Kansas surface casing order must be completed within 30 days of the spud date or the well shall the hereby certify that the statements made herein are true and to the best of the plus of the specified plus of the	th drilling rig; It by circulating cement to the top; in all cases surface pipe shall be the underlying formation. Its strict office on plug length and placement is necessary prior to plug ged or production casing is cemented in; and from below any usable water to surface within 120 days of spud #133,891-C, which applies to the KCC District 3 area, alternate life to plugged. In all cases, NOTIFY district office prior to any cement my knowledge and belief.  Title: Agent  Remember to:  File Drill Pit Application (form CDP-1) with Intent to Drill; File Completion Form ACO-1 within 120 days of spud date; File acreage attribution plat according to field proration orders; Notify appropriate district office 48 hours prior to workover or re-centred.	ugging; date. cementing enting.
The undersigned hereby affirms that the drilling, completion and eventual plus is agreed that the following minimum requirements will be met:  1. Notify the appropriate district office <i>prior</i> to spudding of well;  2. A copy of the approved notice of intent to drill <i>shall be</i> posted on each of the approved notice of intent to drill <i>shall be</i> posted on each of the state of the approved notice of intent to drill <i>shall be</i> posted on each of the state of the appropriate district office will be notified below <i>shall be se</i> through all unconsolidated materials plus a minimum of 20 feet into the state of the spus and the driving of the spus of the sp	th drilling rig; It by circulating cement to the top; in all cases surface pipe shall be be underlying formation. In this strict office on plug length and placement is necessary prior to plug ged or production casing is cemented in; It be from below any usable water to surface within 120 days of spud #133,891-C, which applies to the KCC District 3 area, alternate like the plugged. In all cases, NOTIFY district office prior to any ceme my knowledge and belief.  Title: Agent  Remember to:  File Drill Pit Application (form CDP-1) with Intent to Drill; File Completion Form ACO-1 within 120 days of spud date; File acreage attribution plat according to field proration orders; Notify appropriate district office 48 hours prior to workover or re-c. Submit plugging report (CP-4) after plugging is completed; Obtain written approval before disposing or injecting salt water.	date. cementing enting.
The undersigned hereby affirms that the drilling, completion and eventual plus is agreed that the following minimum requirements will be met:  1. Notify the appropriate district office <i>prior</i> to spudding of well;  2. A copy of the approved notice of intent to drill <i>shall be</i> posted on each and the search of the approved notice of intent to drill <i>shall be</i> posted on each and the search of the well is dry hole, an agreement between the operator and the description of the well is dry hole, an agreement between the operator and the description of the search of the well is either plug for the appropriate district office will be notified before well is either plug for the appropriate district office will be notified before well is either plug for pursuant to Appendix "B" - Eastern Kansas surface casing order must be completed within 30 days of the spud date or the well shall to the hereby certify that the statements made herein are true and to the best of the plus certify that the statements made herein are true and to the best of the plus certify that the statements made herein are true and to the best of the plus certify that the statements made herein are true and to the best of the plus certify that the statements made herein are true and to the best of the plus certified that the statements of the plus certified the plu	th drilling rig; It by circulating cement to the top; in all cases surface pipe shall be the underlying formation. Its strict office on plug length and placement is necessary prior to plug ged or production casing is cemented in; and from below any usable water to surface within 120 days of spud #133,891-C, which applies to the KCC District 3 area, alternate life to plugged. In all cases, NOTIFY district office prior to any cement my knowledge and belief.  Title: Agent  Remember to:  File Drill Pit Application (form CDP-1) with Intent to Drill; File Completion Form ACO-1 within 120 days of spud date; File acreage attribution plat according to field proration orders; Notify appropriate district office 48 hours prior to workover or re-centred.	augging; I date. comenting enting.
The undersigned hereby affirms that the drilling, completion and eventual plus is agreed that the following minimum requirements will be met:  1. Notify the appropriate district office <i>prior</i> to spudding of well;  2. A copy of the approved notice of intent to drill <i>shall be</i> posted on each of the approved notice of intent to drill <i>shall be</i> posted on each of the state of the approved notice of intent to drill <i>shall be</i> posted on each of the state of the state of the specified below <i>shall be se</i> through all unconsolidated materials plus a minimum of 20 feet into the state of the specified before well is either plug of the specified before well is either plug of the appropriate district office will be notified before well is either plug of the specified before the specified before the specified befor	ch drilling rig; It by circulating cement to the top; in all cases surface pipe shall be underlying formation. It is strict office on plug length and placement is necessary prior to plug ged or production casing is cemented in; and form below any usable water to surface within 120 days of spud #133,891-C, which applies to the KCC District 3 area, alternate life to plugged. In all cases, NOTIFY district office prior to any ceme my knowledge and belief.  Title: Agent  Remember to:  File Drill Pit Application (form CDP-1) with Intent to Drill; File Completion Form ACO-1 within 120 days of spud date; File acreage attribution plat according to field proration orders; Notify appropriate district office 48 hours prior to workover or re-c. Submit plugging report (CP-4) after plugging is completed; Obtain written approval before disposing or injecting salt water.  If this permit has expired (See: authorized expiration date) please check the box below and return to the address below.	augging; I date. comenting enting.
The undersigned hereby affirms that the drilling, completion and eventual plus is agreed that the following minimum requirements will be met:  1. Notify the appropriate district office <i>prior</i> to spudding of well;  2. A copy of the approved notice of intent to drill <i>shall be</i> posted on each and the search of the approved notice of intent to drill <i>shall be</i> posted on each and the search of the well is dry hole, an agreement between the operator and the description of the well is dry hole, an agreement between the operator and the description of the search of the well is either plug for the appropriate district office will be notified before well is either plug for the appropriate district office will be notified before well is either plug for pursuant to Appendix "B" - Eastern Kansas surface casing order must be completed within 30 days of the spud date or the well shall to the hereby certify that the statements made herein are true and to the best of the plus certify that the statements made herein are true and to the best of the plus certify that the statements made herein are true and to the best of the plus certify that the statements made herein are true and to the best of the plus certify that the statements made herein are true and to the best of the plus certified that the statements of the plus certified the plu	th drilling rig; It by circulating cement to the top; in all cases surface pipe shall be be underlying formation. In this promotion of the top; in all cases surface pipe shall be be underlying formation. In this promotion casing is cemented in; It is defended by the following surface of the surface within 120 days of spud #133,891-C, which applies to the KCC District 3 area, alternate life to plugged. In all cases, NOTIFY district office prior to any ceme my knowledge and belief.  Title: Agent  Remember to:  File Drill Pit Application (form CDP-1) with Intent to Drill; File Completion Form ACO-1 within 120 days of spud date; File acreage attribution plat according to field proration orders; Notify appropriate district office 48 hours prior to workover or re-c. Submit plugging report (CP-4) after plugging is completed; Obtain written approval before disposing or injecting salt water.  If this permit has expired (See: authorized expiration date) please	date. cementing enting.

### IN ALL CASES PLOT THE INTENDED WELL ON THE PLAT BELOW

Plat of acreage attributable to a well in a prorated or spaced field

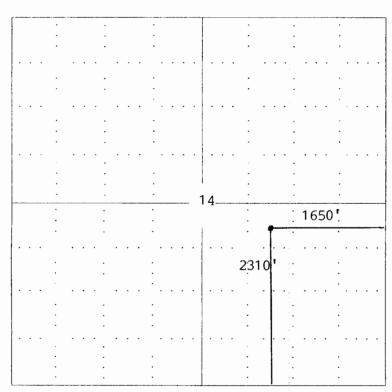

If the intended well is in a prorated or spaced field, please fully complete this side of the form. If the intended well is in a prorated or spaced field complete the plat below showing that the well will be properly located in relationship to other wells producing from the common source of supply. Please show all the wells and within 1 mile of the boundaries of the proposed acreage attribution unit for gas wells and within 1/2 mile of the boundaries of the proposed acreage attribution unit for oil wells.

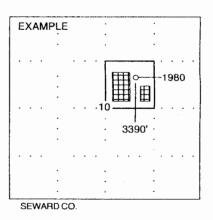

API No. 15		Location of Well: County:	ROOKS
Operator:	ELYSIUM ENERGY, LLC	2242	feet from N / X S Line of Section
Lease:	Boisvert	1650	feet from X E / W Line of Section
Well Number:	9	Sec. 14 Twp. 9	S. R. 19W East X Wes
Field:	Jelink	,	
Number of Acres	s attributable to well:	Is Section: X Regular or	Irregular
QTR / QTR / QTR of acreage:		If Section is Irregular, local	te well from nearest corner boundary.
		Section corner used: NE	NW SE SW

#### **PLAT**

(Show location of the well and shade attributable acreage for prorated or spaced wells.)

(Show footage to the nearest lease or unit boundary line.)

NOTE: In all cases locate the spot of the proposed drilling locaton.

Rooks Co., KS

# in plotting the proposed location of the well, you must show:

- 1. The manner in which you are using the depicted plat by identifying section lines, i.e. 1 section, 1 section with 8 surrounding sections, 4 sections, etc.
- 2. The distance of the proposed drilling location from the section's south / north and east / west.
- 3. The distance to the nearest lease or unit boundary line.
- 4. If proposed location is located within a prorated or spaced field a certificate of acreage attribution plat must be attached: (C0-7 for oil wells; CG-8 for gas wells).
