Docket # PVPA 070601
NE/4 Sec.34-T29S-R34W
Haskell County, Kansas

Dear Ms. Carder,

The form VPA-1 affidavit filed for the above-referenced well stated that service of the affidavit was mailed on July 27, 2006. The fifteen (15) day protest period has expired and we have not received any protests. Therefore, we are advising you that the drilling of this well may commence and, in lieu of cement, drilling mud of the weight specified in your affidavit may be used across the interval between the base of the Council Grove group and the top of the Chase group.

Sincerely,

David P. Williams

Re: Oxy USA Inc.

Dear Mr. Hesterman:

OXY USA Inc. is scheduled to move in on the above referenced location before the 15 days protest period of the VPA-1 Mud Affidavit, that was mailed to the offset operators on July 27, 2006. OXY USA Inc. therefore request the Intent to Drill permit be approved.

If the VPA-1 Mud Affidavit were to be protested, OXY USA Inc. understands that we will be required to cement across the interval between the base of the Council Grove group and the top of the Chase group of the Panoma Council Grove BPO.

If there are any questions or you require further information, please contact me at the above address or by phone at (620) 629-4242. My "E-Mail" address is vicki_carder@oxy.com.

Sincerely,

A handwritten signature in cursive script that reads "Vicki Carder".
