Dear Sirs:

We have your statement of fees for the plugging of our #1 Slater well on the captioned premises which is being passed for payment.

Accompanying statement for your fees in this case, we also received a statement for plugging of Slater #1, same description in Range 15 East. Evidently because of an error in description you have duplicated your files on this case. Kindly eliminate the latter from your records.

Very truly yours,

THE SACO OIL COMPANY

Dear Sirs:

With regard to the invoice covering the plugging fee on the above subject well, the error was made when the invoice was being made out in that the location was put as 33-10-15E instead of 15W.

Our files on this well are all in 15W and we have no file in 15E covering it. It was merely an error in typing.

We hope this makes the matter clear to you but if not, kindly let us know and we will give you what additional information you may desire.

Yours truly,
