Dear Mr. Hesterman:

Attached is corrected Form C-1 for the above referenced well. We plan to spud this well on February 22.

The Preifert 1 is being drilled in the SE/4 of Section 29-33S-33W, Seward County, KS. It is a reentry from the Preifert 1 well completed in June 12, 1970 by Mallonee-Mahoney, API# 15-175-20110.

→ (Please cancel the API that was originally assigned to us for this well. I'm also attaching the original intent that we sent to you. 15-175-22082-0000)

If there are any questions or you require further information, please contact me at the above address or by phone at (620)-629-4229. My "E-Mail" address is Rafael.Bacigalupo@oxy.com.

Sincerely,
