- Reference: 1. Corporate Address Change
- 2. Abandoning the approved Hemi 9 Intent to Drill

Gentlemen:

Please be advised Hemi Energy Group, Inc. KS Operator #33740, is moving its Texas Corporate Office to the following address, effective immediately:

Hemi Energy Group, Inc.
131 East exchange Avenue, Suite 223
Ft. Worth, TX 76106
Telephone: 817-566-0351

Note: This move will not change our address in Piqua, KS.

Secondly, we were able to re-test the existing Reno #9 well on the Woodson County Reno Lease. This test essentially produced water only. Therefore, to drill the planned Hemi 9 well offset by about 50' would not be a worthwhile endeavor. Therefore, Hemi Energy Group, Inc. is hereby abandoning the Hemi 9 Intent to Drill, API # 15-207-27113-0000.

To
Ricky,
Judy

Sincerely,

Craig L. Treiber
Chief Operating Officer
