Mr. Bond:

I have signed the attached sheet referring to the drilling of the Fisher #7 in Ellis County, Kansas—API #15-051-25511-00-00. We never had the opportunity to drill this well. At the time we sent in the intent we had a rig scheduled for the well, then we had several issues come up on the lease, which in turn caused us to put off the drilling. This eventually led to losing our place in line with the drilling company so we just put those plans on hold. When we get ready to actually drill the well we will file a new intent. Your records are correct this location has never been drilled. Thank you for your time.

Sincerely,

Kenneth A. Norton
