Dear Ms. Foster,

The form VPA-1 affidavit filed for the above-referenced well stated that service of the affidavit was mailed on November 20, 2007. Therefore, we are advising you that the drilling of this well may commence and, in lieu of cement, drilling mud of the weight specified in your affidavit may be used across the interval between the base of the Council Grove group and the top of the Chase group.

Sincerely,

Rick Hestermann
