Dear Mr. Massey:

On April 28, 1969, we received your report for the plugging of the Thunderbird Drilling, Inc. Winters Well No. 1. Your reports indicated that the well was located NE NW NE of Sec. 4-10S-20W, Rooks County, Kansas. However today we received the plugging forms from Thunderbird and these forms indicated that the well was located NE NW NE of Sec. 22-10S-19W, Rooks County, Kansas.

Since there is a difference of about 8 miles between these two locations I wish you would check back on your records and advise us the correct location of this well. Your report shows that the well was plugged 8 p.m. April 26, 1969.

Very truly yours,

 S. S. Greider

Dear Mr. Greider:

This was my mistake. Thunderbird Winters #1 should be corrected to NE NW NE Sec. 22-10-19W Rooks Co.

Very truly yours
