Gentlemen:

On January 4, 1984 we wrote you a letter requesting a change of the Operator of record on the above referenced well from Big-H Drilling, Inc. to Kansas Oil & Gas Co., Inc. I have noticed that this well is still being carried by local reporting services with Big-H as the Operator.

Could you please provide us with written verification that this change of Operator has been accomplished on your records.

Also, at this time we would like to request that you amend your records to indicate that at the casing point, operations were also taken over by Kansas Oil & Gas Co., Inc. on the following well:

#2 Chapin
C SW NW Section 35-31S-11W
Barber County, Kansas
API #15-007-21, 763

Thank you for your help in amending these records and should you have any questions, please do not hesitate to contact me.

Sincerely,

Kenneth S. White
