Attention: Mr. Frank Bradfoot

Dear Sir:

Permission is requested for a delay of sixty days to initiate plugging request on our Wilson 'K' #4, W/2 SW SW, Section 32-8-23, Graham County, Kansas. The reason we request this delay is that we anticipate salt water disposal problems and in this sixty day period we would be able to submit application and get permission to convert this well to a salt water disposal.

Within the sixty day period we will either make application to plug the well as dry and abandoned or have it converted to a Cedar Hill salt water disposal well.

Thank you very much for your cooperation in this matter.

Very truly yours,

THE DANE G. HANSEN TRUST
