Dear Rick,

Please find enclosed the Notice of Intent to Drill and two duplicate copies of the Application for Surface Pit for the referenced well. For your information, we bought this drill site from Palomino Petroleum, Inc. recently. They originally were going to drill the alternative location 50' south and had filed for an Intent on May 14, 2007, but this has expired as of November 14, 2007. You had assigned an API Number of 15-135-24646-0000 to the well.

As always your immediate attention to this matter is greatly appreciated. If you have any concerns please contact me at one of the above numbers.

Sincerely,

GATEWAY RESOURCES, LLC
