	If Yes, proposed zone:
AFE	IDAVIT STORY
The undersigned hereby affirms that the drilling, completion and eventual plu	RECEIVED gging of this well will comply with K.S.A. 55 et. seqkansas CORPORATION COMMISSION
It is agreed that the following minimum requirements will be met:	KANSAS CORPORATION COMMISSIO
Notify the appropriate district office <i>prior</i> to spudding of well;	MAY 1.0 0000
O A serve of the appropriate action of intent to drill affect for weated on each	drilling rig; MAY 1 9 2008
3. The minimum amount of surface pipe as specified below shall be set	omining rig, over circulating cement to the top; in all cases surface pipe shall be set over circulating formation.
 If the well is dry hole, an agreement between the operator and the district. The appropriate district office will be notified before well is either plugg 	ed or production casing is cemented in:
6. If an ALTERNATE II COMPLETION, production pipe shall be cemented	from below any usable water to surface within 120 DAYS of spud date.
, , , , ,	33,891-C, which applies to the KCC District 3 area, alternate II cementing
must be completed within 30 days of the spud date or the well shall be	
I hereby certify that the statements made herein are true and correct to the b	
Date: Signature of Operator or Agent: 15	le paul Title: Hacuf
	Remember to:
For KCC Use ONLY	- File Drill Pit Application (form CDP-1) with Intent to Drill;
API # 15. DI9 - 26910 - 00-00	File Completion Form ACC 1 within 120 days of any date:
Conductor pipe required	- File acreage attribution plat according to field proration orders;
	- Notity appropriate district office 46 flours prior to workover or re-entry,
Minimum surface pipe required	 Submit plugging report (CP-4) after plugging is completed (within 60 days); Obtain written approval before disposing or injecting salt water.
1	- Obtain written approval before disposing or injecting sait water. - If this permit has expired (See: authorized expiration date) please
This authorization expires: 5-20-09 (This authorization void if drilling not started within 12 months of approval date.)	check the box below and return to the address below.
(Time authorization you in dimining not statted within 12 months of approval date.)	Well Not Urilled - Permit Expired Date:
1	
Spud date: Agent:	Signature of Operator or Agent:

IN ALL CASES PLOT THE INTENDED WELL ON THE PLAT BELOW

Plat of acreage attributable to a well in a prorated or spaced field

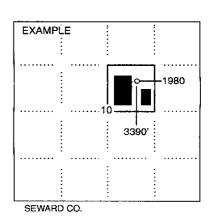

If the intended well is in a prorated or spaced field, please fully complete this side of the form. If the intended well is in a prorated or spaced field complete the plat below showing that the well will be properly located in relationship to other wells producing from the common source of supply. Please show all the wells and within 1 mile of the boundaries of the proposed acreage attribution unit for gas wells and within 1/2 mile of the boundaries of the proposed acreage attribution unit for oil wells.

API NO. 15 - D19 - 26910 - D0-00	
Operator: LH Energy	Location of Well: County: Chautauqua
Lease: Trotter Well Number: #10	
Field: Sedan	Sec. 32 Twp.33 S. R12 E W
Number of Acres attributable to well: 4,5 QTR/QTR/QTR/QTR of acreage: - NW - SW - SE	Is Section: Regular or Irregular
	If Section is Irregular, locate well from nearest corner boundary. Section corner used: NE NW SE SW

PLAT

(Show location of the well and shade attributable acreage for prorated or spaced wells.)

NOTE: In all cases locate the spot of the proposed drilling locaton.

In plotting the proposed location of the well, you must show:

- 1. The manner in which you are using the depicted plat by identifying section lines, i.e. 1 section, 1 section with 8 surrounding sections, 4 sections, etc.
- 2. The distance of the proposed drilling location from the south / north and east / west outside section lines.
- 3. The distance to the nearest lease or unit boundary line (in footage).
- 4. If proposed location is located within a prorated or spaced field a certificate of acreage attribution plat must be attached: (C0-7 for oil wells; CG-8 for gas wells).
