Re: Rock Island's Stevenson #3,
NE SW, Sec. 29-8S-25W,
Knoll North Pool, Graham
County, Kansas

Dear Mr. Greider:

Rock Island certainly appreciates the consideration you have given us regarding the temporary abandoning of the captioned Stevenson #3 well.

As we discussed over the phone this date, Rock Island respectfully requests their Stevenson #3 to be considered temporarily abandoned for a six (6) month period. The six month abandonment will start December 23, 1966 and will terminate June 23, 1967.

On or before the termination date of June 23, 1967, Rock Island intends to either re-enter their Stevenson #3 and complete it or to permanently plug and abandon the Stevenson #3 according to State Commission rules and supervision.

Your approval of the six month temporary abandonment period will allow us sufficient time for a study of the area to determine the most economical approach toward reservoir utilization of the #3 Stevenson.
