Gentlemen:

We are including another notice of intention to drill as per request, we trust it is in order.

This particular well is drilled to 370' I.D. We are holding up completion, pending final decision as to the economics.

If completed we will set 4½" Casing and Cement to ground level. At present we have 27' of 7" casing which is more than ample for all unconsolidated deposits.

Yours very truly.

B.H. Fairchild  
Pres. of C. & W. Machine Works Inc.
