Re: Your file #10-28
Engleman No. 1
SW SW SE
24-8-25
Graham County, Kansas.

Gentlemen:

We received your letter this morning requesting the written application, well log and well plugging record for the above well - these are enclosed herewith.

As you can see from copy of our letter to Mr. Siegel dated April 21, 1952, these were all mailed to him at that time with instructions to file them with your office, evidently he failed to do so.

If you desire to contact Mr. Siegel in regard to the invoice covering assessment for plugging this well, you might try the address given on well plugging application form or c/o Armer Drilling Company, Inc., 710 Petroleum Building, Wichita. For legal services when in Wichita, he used Kidwell, Ball & Greene, Attorneys, 305 Beacon Building, Wichita.

Sorry you were late in receiving these reports.

Yours very truly,
