Capital Assets  Remember to:  File Drill Pit Application (form CDP-1) with Intent to Drill; File Completion Form ACO-1 within 120 days of spud date; File acreage attribution plat according to field proration orders; Notify appropriate district office 48 hours prior to workover or re-entry; Submit plugging report (CP-4) after plugging is completed (within 60 days); Obtain written approval before disposing or injecting salt water.  If this permit has expired (See: authorized expiration date) please check the box below and return to the address below.  Well Not Drilled - Permit Expired  Date:  | — 11 30              |

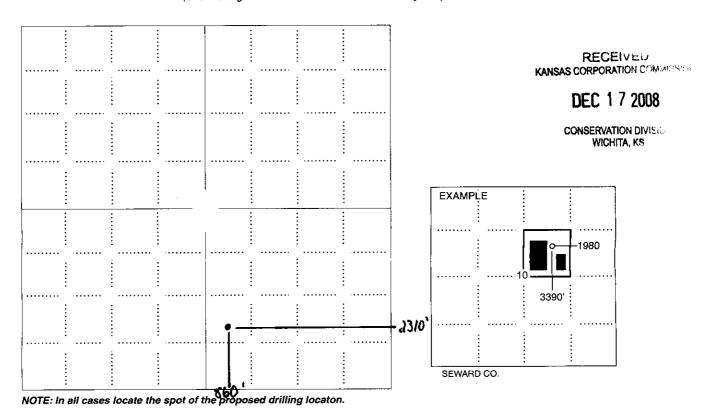

#### IN ALL CASES PLOT THE INTENDED WELL ON THE PLAT BELOW

Plat of acreage attributable to a well in a prorated or spaced field

If the intended well is in a prorated or spaced field, please fully complete this side of the form. If the intended well is in a prorated or spaced field complete the plat below showing that the well will be properly located in relationship to other wells producing from the common source of supply. Please show all the wells and within 1 mile of the boundaries of the proposed acreage attribution unit for gas wells and within 1/2 mile of the boundaries of the proposed acreage attribution unit for oil wells.

| API No. 15 - 081-21863-0000   |  |
|---|--|
| Operator: OXY USA, Inc.   | Location of Well: County: Haskell  |
| Lease: Z M Farms "A"  | 860 feet from N / N S Line of Section  |
| Well Number: 1  | 2,310 feet from X E / W Line of Section  |
| Field: Unknown  | Sec. 11 Twp. 30 S. R. 32 E X W   |
| Number of Acres attributable to well: 10 QTR/QTR/QTR of acreage: SE | Is Section: Regular or Irregular   |
|   | If Section is Irregular, locate well from nearest corner boundary.  Section corner used: NE NW SE SW |

PLAT
(Show location of the well and shade attributable acreage for prorated or spaced wells.)
(Show footage to the nearest lease or unit boundary line.)

#### In plotting the proposed location of the well, you must show:

- The manner in which you are using the depicted plat by identifying section lines, i.e. 1 section, 1 section with 8 surrounding sections, 4 sections, etc.
- 2. The distance of the proposed drilling location from the south / north and east / west outside section lines.
- 3. The distance to the nearest lease or unit boundary line (in footage).
- If proposed location is located within a prorated or spaced field a certificate of acreage attribution plat must be attached: (C0-7 for oil wells; CG-8 for gas wells).

## NOTICE TO OPERATORS

Do not spud this well until proper notification has been made to the Kansas Corporation Commission's District Office. The operator to whom the KCC drilling permit has been issued is primarily responsible for making the required notification. In the event the required notification is not received by the appropriate district office, the responsible party(ies) may be assessed a monetary penalty for violating K.A.R. 82-3-103(b). That KCC regulation states:

K.A.R. 82-3-103(b) District office notification. Prior to spudding the well, the operator shall notify the appropriate district office. Failure to notify the appropriate district office before spudding the well shall be punished by a penalty of not less than \$250 and not more than \$1000.

The appropriate District Office for the attached drilling permit is the KCC Dodge City District Office. Notification can be made to the KCC Dodge City District Office Monday through Friday from 8:00 AM to 5:00 PM at 620-225-8888. If the well is to be spudded over the weekend, the spud call should be given before 5:00 PM on Friday. If the well is to be spudded on a holiday that results in the closure of state agencies for that holiday, then the spud call should be given before that holiday.
