Dear Sirs

We received the enclosed ACO-1 forms in the mail for correction.
I have filled in the well location feet information on both.

The total depth was marked for completion on the Heinze 2, but
everything is filled in but the GF and DF which our records do
not show.

9-14-13 w

Since the Scott was a dry hole, we have no log on it for submission.

Sincerely

Pam Gudenkauf
