Dear Sir:

Regarding pit on applebee - Schlesinger Cattle Co.

15WP,

Due to area being spring fed  
thought only way to solve problems  
was to use it as a pond, as for  
pit contents, Don't have a good solution  
for that part of the problem.

Sincerely  
Jacob L. Schlesinger

Dear Mr. Davis.

The Closure of Surface Pit form for the referenced well was received. It was noted that the pit was converted to a pond for the farmer. Standard procedure for such conversion is as follows:

1. District 4 staff must be notified of the conversion and their approval received.
2. A letter from the farmer must be submitted expressing his wishes that the surface pond remain open for personal use.

Please comply with the above instructions. The letter from the farmer must reach this agency within 20 days of the date of this letter. Your compliance in this matter is expected and appreciated. Should you have any questions or concerns please feel free to contact the undersigned at 316-337-6227.

Sincerely,

A handwritten signature in black ink, appearing to read "Sammy K. Flaharty".
