Emergency Pit	Permit Number (API No. if applicable):	
Sec. 6 Twp. 17 R. 9 East West  Workover Pit Haul-Off Pit  Workover Pit Haul-Off Pit  490. Feet from North / South Line of Section  3540. Feet from East / West Line of Section  Ellsworth County  Date of closure: November 4, 2008  Was an artificial liner used? Yes X No  If no, how were the sides and bottom sealed to prevent downward migration of the pit contents?  Pits were open since drilling started December 1, 2006 and completion in February 2001 until November 4, 2008 to allow pits to dry. (Several extensions were granted) This was done in stages due to proximity to small creek which required samll dikes to co contain the fluids.  RECEIVED  KANSAS CORPORATION CRASS.  Abandonment procedure of pit:  Back filled and then levelled with dozer.  The undersigned hereby certifies that he / she is Stuart Kirk, Partner for HAR-KEN Agent OK (Co.). a duly authorized agent, that all information shown hereon is true and correct to the best of his /her knowledge and belief.
