AFFIDAVI		
The undersigned hereby affirms that the drilling, completion and even	entual plugging of this well will comply with K.S.A. 55-101	
et. seq.		
It is agreed that the following minimum requirements will be met: 1. The appropriate district office shall be notified before so	etting surface nine:	
The minimum amount of surface pipe as specified above shall!	be set by circulating cement to the top; in all cases surface	
pipe shall be set through all unconsolidated materials plus	s a minimum of 20 feet into the underlying formation;	
3. If the Well is dry, a plugging proposal shall be submitted	3. If the well is dry, a plugging proposal shall be submitted to the district office. An agreement between the operator	
and the district office on plug length and placement is necessary prior to plugging; 4. The appropriate district office will be notified before well is either plugged or production casing is cemented in;		
the opposition and the mitt be nothing before me	essary prior to plugging; Il is either plugged or production casing is cemented in:	
If an Alternate II completion, production pipe shall be ceme	cessary prior to plugging; Il is either plugged or production casing is cemented in; ented from below any usable water to surface within 120 days	
 If an Alternate II completion, production pipe shall be come of spud date. In all cases, notify district office prior in 	cessary prior to plugging; Il is either plugged or production casing is cemented in; ented from below any usable water to surface within 120 days to any cementing.	
5. If an Alternate II completion, production pipe shall be come of spud date. In all cases, notify district office prior in the land to the statements made herein are true and to the statement of the statement	cessary prior to plugging; ll is either plugged or production casing is cemented in; ented from below any usable water to surface within 120 days to any cementing. The best of my knowledge and belief.	
of spud date. In all cases, notify district office prior of the statements made herein are true and to the date:	cessary prior to plugging; Il is either plugged or production casing is cemented in; ented from below any usable water to surface within 120 days to any cementing. Title Vice-President	
of spud date. In all cases, notify district office prior of the statements made herein are true and to the date: Date:	cessary prior to plugging; Il is either plugged or production casing is cemented in; ented from below any usable water to surface within 120 days to any cementing.
