	Plugging Fees - Ross No. 1 Well 	25	00	

January 11, 1938

Attention: Mr. Travis Kerr

Kerr-Lynn Oil Company
Oklahoma City, Oklahoma

Dear Sir:

You plugged a well in Section 5-10-17W Rush County. It appears that you violated the plugging laws of Kansas and the Rules and Regulations of the State Corporation Commission in so doing.

I believe a Mr. Moore was in the office in connection with this matter and we gave him application blanks and affidavit blanks to be executed by you. These should have been properly made out and sent to this office and if the well is not plugged according to the plugging laws you would have to go into this well again and properly plug it.

Our plugging supervisor for that district, located in Great Bend, Kansas, was not called to supervise the plugging. Let us have these papers at once and include therein remittance of \$25.00 plugging fees.

Very truly yours,

STATE CORPORATION COMMISSION
