Docket No: <u>D-20,344</u>	County: <u>Rooks</u>

This fluid was hauled after drilling through salt section. After this there was 7" of rain fall when well was at T.D. Rain fall made clorides in pit 3,700. Called Hays district office. Talked to Case Morris. Due to 7" rain fall all water mostly fresh water. Would not need to haul any more fluid.

The undersigned hereby certifies that he/she is John Gerstner  
 for Murfin Drilling Co., Inc. (Co.), a duly authorized agent, that all information shown hereon is true  
 and correct to the best of his/her knowledge and belief.
