Dear Sammy:

Please find the completed CDP-5 form. We never received notice of this form or requirements, thereto. The first time we heard of this form was when you mailed it to Jerry Feagan in Topeka, Kansas. Our only instructions before spudding this well were to line the pits with bentonite, which we did. The fluids have since evaporated. We plan to backfill the pits as soon as the weather allows.

Thank you.

 Jim Mietchen
 Project Coordinator
