THE ABOVE MATERIAL AND SERVICE ORDERED BY CUSTOMER AND RECEIVED BY: [Signature]
(WELL OWNER, OPERATOR, CONTRACTOR OR AGENT)

A DIVISION OF ADVANCED DRILLING TECHNOLOGIES, LLC.
LONGHORN CEMENTING CO.

All sales of services, products, or materials by Longhorn Cementing Co., (hereinafter called LCC to any Customer, unless otherwise set out in writing, are subject to the terms and conditions set out herein.

Terms:

All service charges and materials included in service price list are NET. Unless satisfactory credit has been established, cash payment will be required in advance. Credit Customer agrees to pay LCC in its office in Yuma, CO for all services and materials on or before the 20th of the following month after the date of the invoice. Customers invoice is considered in default if payment has not been received by the last day of the month following the month in which the invoice is dated and services delivered. Past due accounts will be subject to a charge for interest at the highest rate allowable by law, and if placed in the hands of an attorney for collection, Customer agrees to pay all collection costs, reasonable attorney fees and court costs.

Taxes:

All prices are exclusive of any Federal, State, or Special Taxes imposed on the sale of use of the merchandise and services listed, which taxes will be added to quoted prices where applicable. If payment of any applicable royalty or license fee is required in connection with any service preformed by LCC or Customer in addition to the price of the services preformed.

Special Pricing Provisions:

All materials listed in the price schedule are FOB our field stock. All prices are subject to change without notice. The prices in this price list apply to normal operations. Special jobs under unusual circumstances on jobs requiring unusual mobilization of equipment and/or personnel such as blowouts, experimental jobs, etc. are to be subject to special pricing quotes.

Orders for products or special design, size or materials are not subject to cancellation after processing of such order has begun by LCC. Equipment altered, made to Customer's specifications or requiring special handling, is subject to special pricing.

Customer states that the well and all support personnel and services not being supplied by LCC are ready and in condition to receive the materials and services supplied by LCC. Customer will be subject to a charge for "stand-by" time incurred by LCC. For all LCC services, "standby" time incurred by LCC. For all LCC services stand by time is all time our equipment is on location prior to commencement of operations or after completion of operations and is not operating for reasons not within the control of LCC. Stand-by time is calculated from time of arrival on location or arrival time as scheduled by Customer, which ever is later and until equipment is released by customer.

Towing Charges:

We will make reasonable attempts to get to and from the well under our own power. Should we be unable to do so because of poor or inadequate road conditions, and it becomes necessary to employ a tractor or other pulling equipment, such equipment will be supplied by the customer or if furnished by us, the cost will be charged to the customer. In either event, Customer assumes liability for any damages arising from such pulling or arising from inadequate access to the well site.

Product Return:

Any LCC products that have been in the hands of the Customer, if not special or obsolete, will be accepted for credit, subject to our approval and inspection, if they are new unused and in salable condition. The Customer will pay the return freight, and will receive credit at the original purchase price, less the original outbound freight. Any material classified or ordered as special is not subject to return or cancellation privileges.

Service Warranty

There are obviously many conditions in and about the well which we can have no knowledge and over which we can have no control. Therefore, we do not guarantee any particular results from services to be preformed hereunder. In interpreting information and making recommendations, either written or oral, as to type or amount of materials or service to be furnished, or manner of performance or in predicting results to be obtained therefrom, LCC will give customer the benefit of it best judgement based on its own experience in the field. However, due to Customer control of the well the impracticality of providing LCC with all the data concerning same, and the necessary reliance of LCC upon supporting services, data, and facts supplied by others. LCC does not guarantee or warrant the accuracy or correctness of any facts, information or data furnished by LCC or any interpretation of tests, meter readings, chart information, analysis of research or recommendations made by LCC unless caused by the willful misconduct or gross negligence of LCC in the preparation of furnishing such facts information, or date and NO WARRANTY IS GIVEN CONCERNING THE RECOMMENDATIONS MADE OR SERVICES RENDERED BY THE COMPANY AND NO WARRANTY IS MADE CONCERNING THE RESULTS SOUGHT TO BE OBTAINED THROUGH USE OF MATERIALS RECOMMENDED BY THE COMPANY. The Company's liability for injury to all persons or damage to any property or property rights, including but not limited to reservoir damage, sub surface trespass or drainage, etc. occasioned by reason of materials sold rented or services preformed hereunder shall be limited to those occurring due to the acts of will misconduct or gross negligence on LCC, and customer agrees to be responsible for and indemnify LCC against and loss or damage it may sustain by reason of materials sold or rented or services preformed hereunder, unless such loss or damage is caused by the willful misconduct or gross negligence of LCC.

Product Warranty:

LCC warrants all materials, products and supplies manufactured or furnished by it to be free from defects in material and workmanship, under normal use and service, when installed, used and serviced in the manner provided and intended, and that it can convey good title thereto. THERE ARE NO WARRANTIES, EXPRESS OR OTHERWISE WHICH EXTEND BEYOND THOSE STATED IN THE IMMEDIATELY PRECEDING SENTENCE. LCC's liability and Customer's exclusive remedy in any cause of action (whether in contract, tort, breach, or warranty or otherwise) arising out of the sale of use of any products, supplies, or materials expressly limited to the replacement of such products, supplies, or materials on the return to LCC or at LCC's option, to the allowance to the customer or credit for the cost of such items. In no event shall LCC be liable for special, incidental, indirect, punitive or consequential damages.

Service Conditions:

Because there are so many uncertain and unknown conditions not subject to our control, we can neither be liable for injuries to property or persons not for loss or damage arising from the performance of our services or result in therefrom. LCC shall not be liable or responsible for a Customer shall defend, indemnity, and save LCC harmless, and its officers agents or employees, from and against any all claims, or causes of action for damage to Customer's property and of the well owner or any third person, and for bodily injury, sickness, disease, including death resulting thereof, brought by or on behalf of Customer, the well owner, or any third person, arising out of or in connection with LCC performance or services or the furnishing of materials, products, and supplies, unless caused by the willful misconduct or gross negligence of LCC.

Customer shall also be responsible for and, shall defend indemnity and save LCC harmless, and it's officers, agents to employees from and against any and all claims, causes of action and liabilities for damages occurring as a result of sub-surface trespass arising out of any oil well operations or service preformed by LCC, this provision applying to any

claims or legal actions or royalty interest holders, or any other person or concern.

Should any of our equipment, tools, or instruments become lost in the well when preforming or attempting to preform our service hereunder, it is understood that the Customer shall make reasonable effort to recover the lost equipment. The Customer shall assume the entire responsibility for such fishing operations in the recovery or attempted recovery, Customer shall pay LCC its replacement cost unless such loss is due to the sole negligence of LCC. If LCC equipment, tools or instruments are damaged in the well, Customer shall pay LCC its replacement cost unless such loss is due to the sole negligence of LCC.

Work done by LCC shall be under the direction, supervision, and control of the owner, operator, or his agent and LCC will preform the work as an independent contractor and not as an employee or agent of the owner or operator.

The customer shall at all times have complete care, custody, and control of the well, the drilling, and production equipment at the well and the premises about the well.

And delays or failure by LCC in the performance of this contract shall be excused if and to the extent caused by war, fire, flood, strike, labor trouble, accident riot, acts of God, or any contingencies beyond the reasonable control of LCC. Disposal of the chemicals used in the performance of this contract is the responsibility of Customer. Customer agrees the chemicals will be disposed of in accordance with all applicable Federal, State, and local laws and regulations.

General Provisions

Wherever the initials LCC appear in this document, they are intended solely to be an abbreviation of Longhorn Cement Co., and are used in substitution of such full name as if the full name were set out in each instance. Any modifications of this document by the customer, and all additional or different terms included in the Customers purchase order or any other document responding to this document, are hereby objective to BY REQUESTING ANY OF THE GOOD AND SERVICE SET FORTH HEREIN BUYER AGREES TO ALL THE TERMS AND CONDITION CONTAINED IN THIS DOCUMENT.

LCC reserves the right to change or modify the design of any LCC product without obligation to furnish or install such changes or modification on products previously or subsequently sold.

Information regarding our services rendered in Customer's well is held in strict confidence and will be released to others only upon written approval by owner, or when required by Federal, State, or Local Laws, Regulations, Orders or Ordinances, or for use as evidence in court proceedings involving the subject matter of services rendered.

Failure to enforce any or all of the herein specified terms or conditions in any particular instance shall not constitute a continuing waiver, or preclude enforcement thereof.

No employee, representative, or agent other than an office of LCC is empowered to alter any of the herein specified terms and conditions.

These terms and conditions shall be governed by the laws of the State of CO and in case of any one or more of the provisions contained herein shall for any reason be held to be invalid, illegal or unenforceable in any respect, such shall not affect any other provision hereof and this agreement shall be construed as if such invalid, illegal, or unenforceable provision had never been contained herein.

All orders for service and materials are deemed to have been made at, and all invoices will be payable to Longhorn Cementing Co., in Yuma County Colorado.
