Comments: No waste was hauled off. Closed pit shown on Application to Drill was used only to mix drilling mud. Drill cuttings ect. were placed into a surface pit that will be closed in accordance to KCC regulations and CDP-4 (4-04) Form will be filed. Discussed this with Ms. Sammy Flaharty of the KCC on 10-6-09 and was advised to submit this CDP-5 with explanation of what took place during the drilling of the well.
