TECHNICIAN

Operations Completed: Hour: \_\_\_\_\_ Day: 22 Month: 1 2008

Actual Plugging Report: This location was excavated using a backhoe. Consequently, no well  
could be located. This location appears to be a piece of 4" pipe only. The backhoe was used to restore  
location.

------------------------	-----------------	----------------------------

Reason For Investigation: Request from KCC, Wichita

Problem Although STI-11 is not a well, a plugging report was submitted.

Persons Contacted Theresa Runnells

Findings 1-22-08: This location was excavated and determined not to be a well. All that was found at the site was a 4" piece of pipe.

Photos Taken No

Actions/Recommendations Submit this report to Theresa Runnells, Administrative Specialist, KCC, Wichita, Ks.

A copy of the original "plugging" report is attached. This "plugging" report should not have been submitted, but instead a field report explaining why the location at STI-11 was not a well.
