Re: Your letter 10/9/70.

Dear Mr. Greider:

Attached is the report for the last well I plugged on the Leben-Beiker Lease, SE/4, 12-10-21, Graham County. Leben's records show this well as their #1, your records show it as C-G Drilling--Hunt-Behrens #6, SW-NE-SE.

I am sure this completes the plugging out of the drilled wells on this quarter section. Certainly the holes shown as "Oil Wells" on the list you sent me were not plugged 9/6/62 or we would not have been able to pump into them the material we did.

I plugged the Don Pratt wells on this lease the Beiker #5 on 12/8/64 and the Beiker #7 on 1/13/65 which were D&A. I checked the other three D&A locations, they are covered up and no doubt adequately plugged.

Very truly yours,

W. L. Nichols
