RE: LEASE: PLUTE 6-7
LEGAL: 2220'FNL-3620'FWL 07-34S-17E
COUNTY: MONTGOMERY
API NO: 15125317540000

Dear Ms. Stotler:

This letter is to inform you that you have been granted an extension of time in which to close the drilling pits associated with the drilling of the Plute 6-7 well.

The original 365 days for closure expires September 26, 2009. This extension will expire December 26, 2009. We urge you to make every effort to close these pits within this time frame. In the event there is water standing in these pits, please dewater and dispose of fluids in an authorized disposal facility to expedite closure. Extension of this time frame automatically extends the time period for filing the Closure of Surface Pit form.

Failure to close the pit or request an additional extension prior to the expiration date may result in a fine in accordance with K.A.R. 82-3-602(a). An additional extension will only be granted for good cause and after K.C.C. field staff has made an inspection of the site. Should field staff discover that said pit has been closed before the date of extension request, an administrative penalty may be assessed to you through K.C.C. invoice.

If you have any questions in this regard, please do not hesitate to contact Jonelle Rains at (316) 337-6226.

Very sincerely yours,

Doug Loujs
Director

Re: Closure of Drilling Pits
Plute Lease Well No. 6-7
NESWSEW 7-34S-17E
MONTGOMERY County, Kansas
API No. 15125317540000

Dear Sirs:

The above referenced well was spudded on 9/26/2008. According to K.A.R. 82-3-602, "Drilling pits ... shall be closed within a maximum of 365 calendar days after the spud date of a well". The subject drilling pits must be closed by 9/26/2009. A Closure of Surface Pit, form CDP-4 (April 2004), should be filed within 30 days after the drilling pits are closed. **Conservation division forms are available through our office and on the KCC web site: <http://kcc.ks.gov/conservation/forms/>**

Should an extension be warranted, it must be received by 9/26/2009. **TO FILE FOR AN EXTENSION, PLEASE SEND A COPY OF THIS LETTER WITH THE FOLLOWING INFORMATION COMPLETED:**

Date of location inspection by operator/agent: 9/6/09

Reason for extension: The Kansas Department Of Transportation is building a road upgrade in this area and there is not anyway to get equipment on location to pump the pit out and fill it inat this time. Hopefully in the next three months they willhave an access road.
Estimated period of time until pit closure: November 15, 2009

Failure to timely close the pit, file a request for an extension or file the closure form within the allotted time periods may result in assessment of an administrative penalty.

Your cooperation in this process is appreciated. If you have any questions or concerns, please call **Sammy Flaharty** at (316) 337-6227.

Dear Sammy:

Enclosed find a copy of your letter dated September 4, 2009 and a request for time extension to close the drill pit for Plute 6-7 located NESWSENW 7-34-17 Montgomery County, KS. The Kansas Department Of Transportation is building a road upgrade in this area and there is not anyway to get equipment on location to pump the pit out and fill it in at this time. Hopefully in the next three months they will have an access road to it. We would like to have a time extension till November 15, 2009.

If you have any questions, contact me at 620-365-3111.

Sincerely,
COLT ENERGY, INC.
