COUNTY: ROOKS
API NO: 15163237090000

Dear Ms. Austin:

This letter is to inform you that you have been granted an extension of time in which to close the drilling pits associated with the drilling of the Lunney/Schuck SE 1 well.

The original 365 days for closure expired April 21, 2009. This extension will expire March 23, 2010. We urge you to make every effort to close these pits within this time frame. In the event there is water standing in these pits, please dewater and dispose of fluids in an authorized disposal facility to expedite closure. Extension of this time frame automatically extends the time period for filing the Closure of Surface Pit form.

Failure to close the pit or request an additional extension prior to the expiration date may result in a fine in accordance with K.A.R. 82-3-602(a). An additional extension will only be granted for good cause and after K.C.C. field staff has made an inspection of the site. Should field staff discover that said pit has been closed before the date of extension request, an administrative penalty may be assessed to you through K.C.C. invoice.

If you have any questions in this regard, please do not hesitate to contact Jonelle Rains at (316) 337-6226.

Very sincerely yours,

Doug Louis
Director

Pit Closure Extension

Dear Jonelle,

I am writing to request another Pit Closure Extension on the above referenced well. The pit was supposed to be filled in by April 21, 2009, one year from spud date. Then I requested a pit closure extension, which was gratefully granted until August 24, 2009. Due to the fact we have received more rain than normal this summer, the pit is still too wet to close. We have emptied the pit several times of rain water, hoping we could go back in a few days and fill it in, but Mother Nature keeps giving us more moisture, that I won't complain about.

Therefore, I am again requesting for another Pit Closure Extension. We are trying to stay on top of this and would like to get it closed as soon as possible.

Thank you for time on this matter. If you have any questions, please call at 785-434-2286 Monday thru Friday.

Thank you and have a nice day.

Sincerely,

Connie Jo Austin
Agent for Bowman Oil Company
