RE: LEASE: WOODRUFF 1
LEGAL: 2310'FSL-555'FWL 17-25S-05W
COUNTY: RENO
API NO: 15155215270001

Dear Mr. Carageannis:

This letter is to inform you that you have been granted an extension of time in which to close the drilling pits associated with the drilling of the Woodruff 1 well.

The original 365 days for closure expired January 20, 2008. This extension will expire August 24, 2009. We urge you to make every effort to close these pits within this time frame. In the event there is water standing in these pits, please dewater and dispose of fluids in an authorized disposal facility to expedite closure. Extension of this time frame automatically extends the time period for filing the Closure of Surface Pit form.

Failure to close the pit or request an additional extension prior to the expiration date may result in a fine in accordance with K.A.R. 82-3-602(a). An additional extension will only be granted for good cause and after K.C.C. field staff has made an inspection of the site. Should field staff discover that said pit has been closed before the date of extension request, an administrative penalty may be assessed to you through K.C.C. invoice.

If you have any questions in this regard, please do not hesitate to contact Jonelle Rains at (316) 337-6226.

Very sincerely yours,

Doug Louis

It is very wet at the site so I guess we should give him 120 days, that will get him into the middle of summer. Thanks Sammy

Subject: pit extension

Hi BJ, I just talked to Jeff and he said you were off playing in a golf tournament. Hope you did well. Sounds like fun. It's been a while since I played golf. I had my knees and shoulders replaced and the doctor told me to sell my clubs. I think I'm going to try it this summer anyway. Can't give up without a fight.

Anyway, I received a letter from dear old Paul Carageannis, DBA Seed Group, # 32753 about an extension to fill a pit. The well is the Woodruff 1 OWWO in 17-25S-05W in Reno county. The pit sits 2340'FSL-4241'FEL. The API # is 15155215270001. Jeff said to email you and see whether you wanted to go out and take a look at it or what. Let me know what your recommendations are. So let this be part of your welcome back to work. Thanks for your help.

Sammy

RE: NOTICE OF VIOLATION - 82-3-602

Dear Sir or Madam:

K.A.R. 82-3-602(a) states that drilling pits shall be closed within a maximum of 365 calendar days after the spud date of a well. Any pit permit may be extended upon written request by the operator and with the approval of the director. Failure to close any pit or to file an extension within the prescribed time limits shall be punishable by a \$250 penalty.

K.A.R. 82-3-602(c) states "Each operator of a pit shall file a pit closure form ... within 30 days after the closure of the pit. Failure to file the pit closure form in accordance with this subsection shall be punishable by a \$100 penalty".

According to our records a Closure of Surface Pit, form CDP-4 (April 2004), or a request for an extension has not been filed and is past due for the following well:

<u>API NO.</u>	<u>WELL</u>	<u>LOCATION</u>	<u>COUNTY</u>	<u>SPUDDATE</u>
15155215270001	WOODRUFF OWWO 1	17-25-5W	RENO	2/20/2008

This requested information must be submitted by **April 24, 2009**. Failure to submit the requested information by this date may subject **Carageannis, Paul C.** to the assessment of the above referenced penalty(s). Conservation division forms are available through our office and on the KCC web site: <http://kcc.ks.gov/conservation/forms/>

Should you have any questions or concerns please contact Sammy Flaharty at (316) 337-6227.

Sincerely,
