LEGAL: 400'FSL-1925'FEL 31-06S-20W  
COUNTY: ROOKS  
API NO: 15163237090000

Dear Ms. Austin:

This letter is to inform you that you have been granted an extension of time in which to close the drilling pits associated with the drilling of the Lunny/Schuck Se 1 well.

The original 365 days for closure expired April 21, 2009. This extension will expire August 24, 2009. We urge you to make every effort to close these pits within this time frame. In the event there is water standing in these pits, please dewater and dispose of fluids in an authorized disposal facility to expedite closure. Extension of this time frame automatically extends the time period for filing the Closure of Surface Pit form.

*Failure to close the pit or request an additional extension prior to the expiration date may result in a fine in accordance with K.A.R. 82-3-602(a). An additional extension will only be granted for good cause and after K.C.C. field staff has made an inspection of the site. Should field staff discover that said pit has been closed before the date of extension request, an administrative penalty may be assessed to you through K.C.C. invoice.*

If you have any questions in this regard, please do not hesitate to contact Jonelle Rains at (316) 337-6226.

Very sincerely yours,

Doug Louis  
Director

Re: Closure of Drilling Pits  
LUNNEY/SCHUCK SE Lease Well No. 1  
SESWSE 31-6S-20W  
ROOKS County, Kansas  
API No. 15163237090000

Dear Sirs:

The above referenced well was spudded on 4/21/2008. According to K.A.R. 82-3-602, "Drilling pits ... shall be closed within a maximum of 365 calendar days after the spud date of a well". The subject drilling pits must be closed by 4/21/2009. A Closure of Surface Pit, form CDP-4 (April 2004), should be filed within 30 days after the drilling pits are closed. **Conservation division forms are available through our office and on the KCC web site: <http://kcc.ks.gov/conservation/forms/>**

Should an extension be warranted, it must be received by 4/21/2009. **TO FILE FOR AN EXTENSION, PLEASE SEND A COPY OF THIS LETTER WITH THE FOLLOWING INFORMATION COMPLETED:**

Date of location inspection by operator/agent: \_\_\_\_\_

Reason for extension: Location & Pits to wet. See Pit Closure  
Extension Request

Estimated period of time until pit closure: \_\_\_\_\_

**Failure to timely close the pit, file a request for an extension or file the closure form within the allotted time periods may result in assessment of an administrative penalty.**

Your cooperation in this process is appreciated. If you have any questions or concerns, please call **Sammy Flaharty** at (316) 337-6227.

RE: Pit Extension Request  
Bowman Oil Company - Lunney/Schuck SE #1, SE SW SE of Section 31-  
Township 6 South-Range 20 West, Rooks County, Kansas  
API #15-163-23709-0000, Spud Date April 21, 2008

Dear Sammy,

I am writing to request an Extension of Closure for the Drilling Pits for the above referenced well. These pits were supposed to be filled back in to Ground Level by April 21, 2009.

We have had an excess amount of rain last year, so due to weather conditions, we have been unable to close these pits by the scheduled time. In 2009, we have been emptying the rain water from the pit, but now it has rained again and we are expecting more rain this week.

Enclosed is a copy of the Application for Surface Pit - Form CDP-1, of the above referenced well. We would appreciate an extension for closure, and as soon as weather permits, these pits will be filled back in to ground level, and a Pit Closure - Form CDP-4, will be filed with the KCC.

If you have any questions, please call 785-434-2286. Thank you for your time concerning this matter.

Sincerely,

Connie Jo Austin
