RE: LEASE: THOMPSON 5  
LEGAL: 2970'FNL-840'FWL 05-09S-17W  
COUNTY: ROOKS  
API NO: 15163236880000

Dear Mr. Comeau:

This letter is to inform you that you have been granted an extension of time in which to close the drilling pits associated with the drilling of the Thompson 5 well.

The original 365 days for closure expired February 15, 2009. This extension will expire July 23, 2009. We urge you to make every effort to close these pits within this time frame. In the event there is water standing in these pits, please dewater and dispose of fluids in an authorized disposal facility to expedite closure. Extension of this time frame automatically extends the time period for filing the Closure of Surface Pit form.

*Failure to close the pit or request an additional extension prior to the expiration date may result in a fine in accordance with K.A.R. 82-3-602(a). An additional extension will only be granted for good cause and after K.C.C. field staff has made an inspection of the site. Should field staff discover that said pit has been closed before the date of extension request, an administrative penalty may be assessed to you through K.C.C. invoice.*

If you have any questions in this regard, please do not hesitate to contact Jonelle Rains at (316) 337-6226.

Very sincerely yours,

Doug Louis  
Director

RE: Thompson #5 5-9-17W Rooks County, Kansas  
API No. 15163236880000

To Whom It May Concern:

We are writing in regards to your letter that we received, dated March 31, 2009. The letter states that we must fill out a form CDP-4, Closure of Surface Pit for our Thompson #5 well. That pit has not been closed due to the moisture that we have had and we are asking for an extension. Thanks and have a great day!
